

Mixed Use Districts 5 & 6 Conceptual Master Plan

Meeting Notice

Meeting 3 & 4 — Scenario Review

Meeting 3: Tuesday, April 20, 2021 | 6 to 8 pm | virtual (visit the MXD 5&6 web page for a link to join the meeting)

Meeting 4: Tuesday, April 27, 2021 | various times, see below | Marina Banquet Hall, 1104 Lakeshore Blvd, St. Cloud

The purpose of this meeting is to continue the planning process for Mixed Use Districts (MXD) 5&6, shown on the map below. Several meetings have already been held to plan for this area. Meeting summaries can be found on the County's website (address and QR code below).

The next step is to review the proposed design scenario with area stakeholders. This will be done first on April 20th as a virtual meeting, to present the draft design, answer any questions, and receive feedback. Following the virtual meeting will be an in-person meeting, scheduled for April 27th. This meeting will have an open house format where participants can attend to ask questions and provide feedback on the scenario. Because of Covid, this open house will be scheduled as a series of sessions—residents can sign up for a time slot, and attendance at each time slot will be limited to approximately 30 people so we can meet safely. Opportunities will be provided for as many people who wish to attend.
